

Beach house

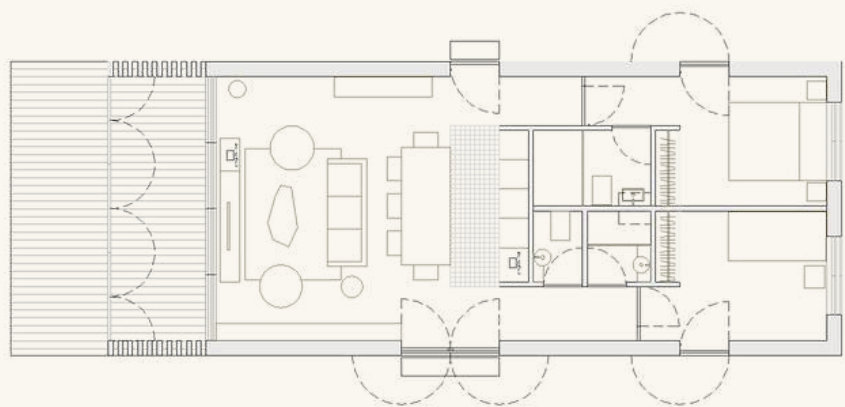

This project by the architect **Simão Carvalho** combines practicality and comfort. Concentrated in only 79m², a large living room shares its space with an open kitchen that also serves as a dining room, in addition to two bedrooms and their respective bathrooms.

📍 Vila do Conde (PT)

📅 2015

🕒 4 weeks

📏 91m²

Materials

Timber frame structure in treated wild pine wood, with painted plaster interior cladding.
